HÉRITIÈRE DE GUERS

## DEMOISELLE DE VEYRAC - ROSÉ

### DESIGNATION OF ORIGIN

Indication Géographique Protégée - Pays d'Hérault

### VINEYARD

5000 vines planted per hectare

Limestone and clay soil, and loamy soils

High trellising, Cordon Royat pruning

### VINEMAKING

Rosé wine made of a blend of red local grapes

Night mechanical harvest, cooling after gentle destemming and crushing

Soft pressing and selection of the best juices by tasting

Limited sulphide addition

Controlled Fermentation temperature

### TASTING

Light pink coat with salmon glints

The first nose develops aromas of banana and strawberry fruits

The agitation reveals notes of citrus and currants

The attack is lively and fruity followed by a voluminous but well-balanced mid palate

The retro-olfaction offers a floral and exocitic fruity bouquet

The finish is slightly sweet and persistent

### CELLARING POTENTIAL

Seasonal wine, to be drunk during the year
